

TALKING MATTERS BENDIGO

(Free Speech Pathology Drop-in Clinic for children under school age)

A speech pathology drop-in clinic is a place where families can come to discuss their child's speech and language concerns without having a referral or a pre-arranged appointment. The service is available for children aged birth to school entry. No appointment is necessary and a 20-30 minute timeslot will be allocated to you on arrival. A brief discussion of your concerns regarding your child's development will occur, with some suggestions provided to assist your child's communication.
